

Community Digital Skills Growth Grant 2026

Grant Guideline — 90% Completeness Test

Grant Program Overview

The Community Digital Skills Growth Grant provides funding of up to \$75,000 for a one-year project that expands practical digital-skills education for underserved communities. This fictional document is intended for testing an AI grant-completeness application.

Mandatory Requirements

- 1. Legal status.** The applicant must be a registered nonprofit organization.
- 2. Operating history.** The applicant must have operated for at least 3 years before the application deadline.
- 3. Project description.** The application must describe the project, activities, target population, timeline, and expected outcomes.
- 4. Project budget.** The application must provide a total project budget and a breakdown of major expenses.
- 5. Annual report.** The most recent annual report must be supplied as a supporting document.
- 6. Financial statement.** A recent financial statement covering the latest completed financial year must be supplied.
- 7. Use of funds.** The application must explain how grant funds will be spent during the project period.
- 8. Project timeline.** The application must provide a clear start date, end date, and major implementation milestones.
- 9. Monitoring plan.** The application must explain how project progress and outcomes will be measured.
- 10. Applicant contact.** The application must provide a named project contact with an email address.

Recommended Information

- 11. Prior impact.** Applicants are encouraged to provide measurable evidence of previous community impact.
- 12. Risk management.** Applicants are encouraged to describe major implementation risks and mitigation steps.

Assessment Guidance

A requirement should be considered complete only when the supplied application or supporting documents contain sufficient evidence. A requirement with relevant but incomplete or ambiguous evidence should be marked for review. The presence of a statement in the application does not by itself prove that a required supporting document was supplied.

Important

This is a fictional test guideline. It is not a real grant program and must not be used for an actual funding decision.
